Motorists bought United States Tires so consistently that, during the first seven and one-half months of this year, we sold and delivered more tires than during the entire twelve months of last year.

And motorists are continuing to buy United States Tires at the same phenomenal rate.

If straws show which way the wind blows, such phenomenal sales increases certainly show where the best tire service comes from.

# MEXICO MINING MEN MEET COMMISSIONERS

REQUESTS OF AMERICANS WILL BE PLACED BEFORE GEN-ERAL CARRANZA.

There Is a Slight Possibility That They Will Return to Work.

ATLANTIC CITY, Oct 4. they regard as an equitable a health a of taxes was submitted to the Mexican members of the Mexican-American soint commission today by the conmittee representing American mining Interests in the southern republic. You two hours they were in conference with Laus Cabrera, head of the Mexican commission and minister of finance of his country, and Alburto Pani, another member who is tiretor-general of the National rallways No assurances were given the mining men that their schedule would be adopted, but it was un erstood that it would be submitted to the Cartelina government. The question of transportation was discussed and the mo-test was reiterated against what the maging men consider confliction in a

decrees.

The American members of the commission also conferred again with the mission also conferred again with the mission mens representatives. After their conference the American commissactory agreements can be reached with reference to the matters, especially the resumption of mining activities, improved conditions in Mexico can be confidently expected. Such resumption would be distinctly heraficial in furnishing employment to Mexical labor, it was said, and also would be a source of immediate resente to the Mexican government.
